EXPERIENCE

Qoo Studio

Nov 2023 – PRESENT – Toronto, Canada

Qoo Studio is a PropTech innovator revolutionizing real estate marketing and sales with cutting-edge visualization technology.

- Contributing to diverse company projects, specializing in web applications development and the integration of 3D models and image sequences.
- Implementing performance optimizations across various projects, e.g., reduced loading times and improved user experience.
- Leading team efforts in refining product roadmaps and strategic planning for new product development.

Loop Academy

Apr 2020 – Aug 2023 – Tehran, Iran

Loop Academy offers AI solutions, hosts global events, and provides workforce assistance, and it won the Best Startup Award at Iran's 22nd specialized exhibition.

- Began as an intern and learn Vue and Nuxt.
- Assisted in bug fixes and the addition of minor new features.
- Continued to construct core components/pages and add crucial features to the product.
- Ended up as the frontend team lead and train new trainees.
